

LOUNGE BEACH
SCALA DEI TURCHI

LEASE

SAXDOR 400GTS 700CV

Experience an unforgettable experience aboard the Saxdor 400 GTS, the purest expression of the open sailing experience in the Sicilian sea.

With its fold-down side terraces that extend the space to almost 5 meters, this 12.4-meter yacht transforms into a floating lounge where you can admire the Scala dei Turchi from a privileged perspective, away from the crowds.

Package Included:

- Gasoline included
- Outdoor kitchen with BBQ, hob and sink
- Fresh water shower and large bathing platforms
- T-top with windshield
- Simrad Dual Display Navigation System

Why choose the Saxdor 400 GTS:

- Cruising speed between 33 and 40 knots, with peaks of up to 50 knots thanks to the 700 total HP
- Two spacious cabins for relaxation, separate bathroom
- Dinette convertible into solarium both at the bow and at the stern
- Semi-walkaround layout for free movement from bow to stern

€2,000/day — fuel included

SEA-DOO GTX 170CV

Experience the thrill of riding the waves of the Mediterranean with the Sea-Doo GTX 170 HP, the perfect jet ski for exploring the Agrigento coast and admiring the Scala dei Turchi from a unique perspective.

Power and performance:

- Rotax 1630 ACE 170 HP engine: smooth power delivery, low fuel consumption, reliability
- Maximum speed up to 85 km/h
- Up to 3 seats

Comfort and safety:

- iBR system for quick braking and easy maneuvering in tight spaces
- Ergonomic Ergolock saddle with stepped profile for maximum comfort
- ST3 platform for superior stability and easy re-boarding
- Color display and intuitive controls
- 70-litre tank for long excursions

Perfect for:

- Exploring the coast
- Reach hidden coves and secret beaches
- Experience the sea in total freedom and adrenaline
- Take unforgettable photos of the Scala dei Turchi from the sea

€150 / 30 minutes – up to 2 people with the skipper.

€250 per hour or €600 per day – fuel included (only for holders of a valid boating license).

WAYDOO FLYER E-FOIL ELECTRIC

Discover the thrill of literally flying above the water with the revolutionary Waydoo electric e-foil.

Without the need for waves or wind, this board lifts you out of the water, giving you an unforgettable experience along the coast of Scala dei Turchi.

Performance and technology:

- Speed up to 47 km/h
- Up to 120 minutes of continuous flight time
- Completely silent and emission-free electric motor
- Multifunction Bluetooth controller for speed and battery control

Safety and ease:

- Patented safety system: the propeller stops automatically in case of a fall
- Quick and easy assembly, accessible to riders of all levels
- Low battery warning for added safety
- Waydoo app to monitor performance, battery and connection

Perfect for:

- Beginners and experts
- Exploring the coast in total silence
- Experience the sea from a unique perspective
- Take spectacular photos and videos "flying" over the water

€100/ 30 min, €160/ 1 hour

WAYDOO SUBNADO

Glide through the underwater world of Scala dei Turchi with the Waydoo Subnado, the world's lightest and most compact underwater scooter.

No effort, no noise: the Subnado pulls you gently through the water, letting you explore seabeds, fish and Mediterranean light without ever swimming against the current.

Performance and technology:

- Jet propulsion for smooth, effortless gliding — up to 2 m/s with the twin-engine setup
- Maximum depth of 60 metres — perfect for snorkeling, freediving and scuba diving
- 3-speed gears plus cruise mode
- Camera mount to capture your underwater memories

Safety and ease:

- Finger-safe propeller guard, suitable even for younger guests
- Intuitive finger-ring controller — one hand is all you need
- Ultra-light 1.4 kg body, easy to handle for everyone
- No diving certification required for surface use

Perfect for:

- Snorkeling under Scala dei Turchi
- Scuba divers who want to make the most of every minute underwater

€100 / 30 minutes

WAKEBOARD

We'll provide you with the gear—an RRD Placebo Y25, a board everyone knows—and the rest is all up to you: the rope tightens, you rise above the water, and for a moment, you feel like you're flying. Whether it's your first time or you just want your perfect wave, wakeboarding is that challenge that grabs you and doesn't let go—you fall, laugh, try again, and in the end, you're still standing.

Fee: 30 min · 100 €

WATER SKIING

Jobe Mode Combo waterski, rope, and the sea awaiting you: you pull yourself up from the water and suddenly you're racing across the surface, legs outstretched and a broad smile. Waterskiing is that classic that never fades—the first time is pure challenge, then it becomes the wake you carve behind you. Falls included, it's one of those experiences that stay with you.

Fee: 30 min · 100 €

WINDSURF

The wind decides, you respond: a sail, a board, and that silence that only exists when you glide across the water, pushed by the wind. Windsurfing is pure dialogue with the sea—you find your balance, catch the right gust, and suddenly you're flying. For those seeking the most authentic freedom, the kind that's conquered one tack at a time.

€50 / 1 hour

BANANA

Climb aboard the Jobe Chaser and let yourself be carried through the waves: up to four people, guaranteed laughs and pure adrenaline to share with friends and family. It's more than just a towable—it's the best summer memory.

€80 / 30 min · up to 4 people

DONUT

Hold on tight and let yourself be carried: the wind in your face, the splashing water, and that laugh that starts at the first turn and never stops. On the Jobe Proton, there are two of you holding on tight as the sea tosses you from side to side—safe, comfortable, but with your adrenaline pumping. One of those rides that, as soon as you get off, you want to do it again.

€80 / 30 min · up to 4 people
